REGISTRAR OF THE CHIEF COURT OF MYSORE,

To

C. S. BALASUNDARAM IYER, Esq., B. A.,
CHIEF SECRETARY TO THE GOVERNMENT OF MYSORE,
B A N G A L O R E.

S i r,

I am directed to invite kind reference to Government Order No. J.2367-9/Cts.235-10-9 dated the 17th February 1912 sanctioning the construction of quarters for the Munsiffs at Seringapatam, Hole-Narsipur and Sagar and directing the Chief Engineer to take the work on hand early at Hole-Narsipur and Sagar, and to state that though more than seven years have elapsed since the Government Order was passed, the Public Works Department have not yet taken up the work on hand and it is not known why the Public Works Department have neglected this work. On account of the prevalence of plague at Sagar, the Munsiff who is the only officer at that station who is not provided with quarters, had to occupy the block of building consisting of two rooms attached to his court house in anticipation of permission of this Court. A copy of the Munsiff's Demi-official letter dated the 12th Instant to the District Judge of Shimoga is enclosed herewith.

I am to state that the Judges consider it absolutely necessary that the quarters for the Munsiff should be built immediately at Sagar. I am therefore to request that the Government may be pleased to issue immediate orders to the Public Works Department to take the work on hand at Sagar at once and complete it very early.

I have the honor to be,

S i r,

Your most obedient servant,

Ca

Copy of Demi-official letter dated 12th March 1919 from the Munsiff of Sagar to the District Judge of Shimoga.

Within the past one week, there were four fatal cases of plague in my road and within a distance of five or six houses on either side of mine. Two days ago, a very strong stench emanating from some dead matter was noticed in the back-yard of my house. I therefore thought it desirable to remove myself with the members of my family from my house to a freer and less contaminated place. As the matter was felt to be very urgent and necessary, I immediately removed to the small blocks attached to the Munsiff's Court Buildings, and which was being used for the Process Nazir's office and as his Property Rooms. I have to occupy these rooms partly because it is not easy to get materials and put up sheds soon, and also because I thought I could spend some three weeks like this and then get out of Sagar for the Vacation.

I have asked the Process Nazir to occupy my Chamber-Room and the attached properties also have been carefully disposed of.

I trust that this step urgently taken as a matter of necessity and under pressure of plague scare and to keep myself in proper peace of mind has your approval.

In this connection, I may be permitted to request you to urge the matter of providing a decent Official Quarters, for the Munsiff and his officials in out of the way places like this and which do not contain a single decent and healthy house to be had either for love or money.

The Revenue Sub Division Officer, the Forest

Officer

Officer and the Assistant Engineer here have got decent Official Quarters, located in the best place here. It is only the Munsiff here, that is left to drift for himself and put up with all the inconveniences and unhealthiness of the place. While all the Government Officers here get special Malnad Allowances in some shape or other, it is only the Munsiff and his hard worked officials that go without any compensation and consideration.

The matter of providing Official Quarters to the Munsiff, is under consideration for the past ten years but yet no definite step has been taken. I beg you will kindly take the cause of the uncared lot of the Munsiff and his officials here, and recommend to the Chief Court, for the grant of Malnad Allowances and for providing them with Official Quarters.

(Sd) S. R. Ramaswami Iyer,
MUNSIFF.
